Dear Mr. Greenspan,

The purpose of this letter is to validate your claim of recipt of our transmission on February 9-10 1995.

CFJR in Brockville broadcasts at an E.R.P. of 5,000 watts in the daytime and 1,000 watts at night. We have been in existance since 1926, originally broadcasting on 1450 KHZ. CFJR is an oldies based, adult contemporary station.

Thanks again for your report and good luck in future DXing.

Yours truly

Dan Mellon
